KENTON COUNTY PUBLIC LIBRARY
OUR IMPACT ON THE COMMUNITY

preserving yesterday, enriching today, inspiring tomorrow

The Kenton County Public Library has a strong commitment to community outreach and has established partnership programs that benefit the entire county. For over a century, the Kenton County Public Library has provided informational, educational and recreational resources of the community. From children's services to homebound delivery programs to the arts, the Library is making a difference in Kenton County.

	Youthland

Summer Reading Program

Since 1951, the Library has offered a summer reading club to engage the children in literacy programs during the summer months. Children track what they read and are awarded reading incentives throughout the summer. Librarians also plan fun and entertaining programs to support the club. Over the last few years this club has grown to include teens and adults. More than 6,000 children participated during the 2005 Summer Reading Club.

Social Services

Books for All

A program providing library cards, reading materials and services to individuals and families who are either homeless or in transitional living situations.

Partners: Welcome House, Rap House, Parish Kitchen
